Main part instructions

You are now ready to complete the main tasks in the study! **From now on, please follow instructions from the interviewers.** Please join the following Zoom room at the scheduled time (at Calendly) to start the interview.

Completion code for payment will be provided at the end of the interview. You will **NOT** be compensate if you do not participate the interview.

If you have not scheduled, you could schedule a time slot at [link](#) and join the study later. The Calendly system will send out an email once the schedule is confirmed.

If you believed that you have a time scheduled, but the interviewer does not appear in 5 minutes, please contact through prolific portal.

Video meeting

We encourage you to turn off your camera during the interview.

To join the video meeting, click this link: [link](#)

Here are some useful links and information for the interview (which you are required to read during previous survey phase):

Google Cloud vision tutorial: [link](#)

Google Cloud NLP: [link](#)

Please **DO NOT** click "next" until instructed by the interviewers.

What is your Prolific ID?

SUS

Do you think this testing tool is helpful for you to test your software?

Definitely yes

☐

Probably yes

☐

Might or might

not

☐

Probably not

☐

Definitely not

☐

Please based on the overall experience, score the following 10 items with one of five responses that range from Strongly Agree to Strongly Disagree:

	Strongly agree	Agree	Neither agree nor disagree	Somewhat disagree	Strongly disagree
I think that I would like to use this testing tool frequently when develop software that uses machine learning APIs.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I found the testing tool unnecessarily complex.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I thought the testing tool was easy to use.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I think that I would need the support of a technical person to be able to use this testing tool.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I found the various functions in this testing tool were well integrated.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I thought there was too much inconsistency in this testing tool.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I would imagine that most people would learn to use this this testing tool very quickly.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

	Strongly agree	Agree	Neither agree nor disagree	Somewhat disagree	Strongly disagree
I found this testing tool very cumbersome to use.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I felt very confident using this testing tool.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I needed to learn a lot of things before I could get going with this testing tool.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
